

DE ANZA COLLEGE
LEGAL ADVISING SERVICES AGREEMENT

In using De Anza College Legal Advising Services, I understand the following:

1. That De Anza College Legal Advising Service is general legal advising and referral only, and that the attorney does not represent me in any way.
2. This service is free to me, and I shall not be charged any expense for the use of this service.
3. That the attorney will not prepare letters, forms, or other documents for me, nor communicate with others on my behalf.
4. The law imposes strict time limits within which I must act in order to protect my legal rights. I understand that if I do not file a lawsuit within the requisite time, I will lose valuable legal rights and will not be able to pursue my legal actions.
5. The Legal Advising Service does not extend beyond my thirty-minute (30-minute) appointment time, and the attorney will not be providing any service for me after such appointment.
6. This legal advice is limited. Legal matters can be complex. There may be additional remedies and advice, and other legal counsel should be consulted on such matters.
7. If further legal help is applicable, several referrals will be provided. I am free to seek other legal opinion and an attorney to represent me if I should so choose.

I/We have read and understand the above.
